

Is your dancer interested in joining our award winning Competition Company for Season 2022-2023?

We believe in healthy competition that motivates dancers to train and perform at their personal best. Competitive dance at SDA is for ages 6-18. SDA's Competition Teams are known for their artistry, technique, and content that is age appropriate. Competition Team is for dancers that are ready for more of a challenge and commitment outside of their recreational classes.

This meeting will have new details for the upcoming season and contracts will be given out for us to go over. This meeting should take about an hour. All questions will be answered at this meeting, please save your team questions for that time.
